ADMINISTRATION

A. A. TUCK
Superintendent

To the Amber-Pocasset Students:

This book is a record of you and your classmates for the past year in both your academic work and your various types of activities.

The Senior Class along with the sponsors, Mrs. Dickey and Mr. Turner, have spent many extra hours to make such a book possible for which you will receive very little remuneration or credit. Congratulations are always in order on a job well done.

In the years to come each of you will cherish the many memories this book will present.

Sincerely yours,

A. A. TUCK
